### **5. Signing on and preparation time**

The Concours parking and signing on will open from 09.00 hours on 28<sup>th</sup> June 2025. Any competitor not signed on by 10.50 hours may be excluded.

Marshals will show you to your parking place where you may make final preparations. Competitors are required to comply with all instructions given on the day.

## 7. Judging

The judges have the absolute final say and no canvassing before or after judging will be allowed. Any breach of this rule will render the competitor disqualified. Please note that vehicle owners must be present when the vehicles are being judged, to assist with opening/closing etc.

## 8. Classes

There are separate classes for:

- Novice All types of Morgans
- Pride of Ownership:
  - (1) Three Wheeler
  - (2) Modern 3 Wheeler
  - (3) Flat Rad
  - (4) 4/4
  - (5) Plus 4
  - (6) Competition car
  - (7) Plus 8
  - (8) Roadster
  - (9) Aero chassis (Aero 8, AeroMax, Aero SuperSport and Aero Plus 8)
  - (10) CX Chassis cars
- Masterclass
- Elite

For the Masterclass, the underside of the vehicle will also be judged in addition to the Pride of Ownership categories.

Novice entrants will be judged as per Pride of Ownership.

Where in any judging category the entered Morgan does not have a specific feature, i.e. bumpers, roof, hood or side-screens etc. then, at the Concours Secretary's discretion, the average marks in that category across that class, or across the whole entry (whichever is the higher) may be awarded.

Where the judging category is composite, for example, "Wheels including spare", then if there is no spare, marks will not be deducted.

If a Pride of Ownership class winner from the previous MSCC Concours event enters the same car at the following MSCC Concours event, they will be given a points handicap equivalent to their winning margin in the previous competition (capped at a maximum of 5 points), unless they move from their Pride of Ownership class to the Masterclass. This points handicap will not be applied for the Car of the Show award.

The Novice Class is for Members who have not competed in a Club Concours previously.

# MSCC Club Concours 2025

The Elite Class is for motor industry entrants (who are also eligible Club Members) or for cars which have been professionally restored and have been driven for less than 2000 miles since the restoration. As this is a new class this year, the judges will exercise discretion in regard to 'Elite' classification, scores and eligibility.
